

PART 1: BODY

1. Height

What's your height?

- Under 159cm
 - 160cm–164cm
 - 165cm–169cm
 - 170cm–175cm
 - 175+cm
-

2. Body proportions

Which description feels most like your body?

- My shoulders, waist, and hips are about the same width
 - My shoulders and hips are similar, with a smaller waist
 - My shoulders are the broadest part of my body
 - My hips are the broadest part of my body
 - I carry more fullness around my midsection
-

3. Distribution (where clothes sit closer) - delete

Where do clothes usually feel more fitted or snug?

(select all that apply)

- chest
- Arms
- shoulders
- waist / stomach
- hips / thighs
- seat (butt)
- Nowhere specific

Where do clothes usually feel looser or less filled out? - delete

(select all that apply)

- chest
- Arms
- shoulders
- waist
- hips / thighs
- Seat
- Nowhere specific

What parts of your body do you naturally feel good about?

(select all that apply)

- Décolletage / collarbones
- Bust
- Shoulders
- Arms
- Waist
- Hips / curves
- Seat
- Legs
- Back
- I'm not sure / nothing in particular

- **Are there any areas you want some help with? think of your 1-2 favorite outfits - what are they doing for your body?**

(select all that apply)

- Make my legs look longer
- Create more waist definition
- Add more shape around hips / seat
- Smooth around my waist / stomach
- Make my bust look fuller
- Make my bust feel less prominent
- Make my shoulders feel softer
- Nothing specific

4. Fit & length issues

When something doesn't fit right, what usually goes wrong?
(select all that apply)

Fit

- feels tight in the chest
- feels tight in the arms
- feels tight in the waist
- pulls across the thighs
- feels too tight around hips / seat
- feels too loose around hips / seat
- gaps at the waist
- everything usually sits how it should

Length

- pants feel too short
 - pants feel too long
 - tops feel too cropped
 - tops feel too long
 - everything usually sits where it should
-

5. How you like clothes to sit

**You're wearing pants and a top (whatever you like — the images are just for reference).
What's more typical for you?**

1. I leave it as it is — if the fit is good, I don't feel the need to change anything
2. I like to define the waist — for example, tucking in the top a bit or adding a belt
3. Both can work

How do you feel about clothes where the item itself defines the waist (for example, with a wrap, belt, or built-in shaping)?

1. Not really my thing — I prefer when the garment doesn't define the waist, or I create that myself
2. Yes — I like when the garment defines the waist
3. It depends — both can work

6. Volume preference

Which outfit shape usually feels best on you? Choose all that feels right.

1. More room on top - A looser top with a slimmer bottom.
2. More room on bottom - A fitted top with wider pants or a fuller skirt.
3. Room on both - A relaxed top with relaxed bottoms.
4. Not much extra room — I like clothes that sit closer to the body.

When you wear wider bottoms, which feels more like you?

- I like wider legs, but fitted at the waist and seat
- I like room throughout — waist, hip, and leg
- Both work for me

7. Fit preference (distance from body)

How close do you like your tops to fit?

Select all that apply

- Tight / body-hugging
- Close, but not tight
- Relaxed, with a little room
- Very loose / oversized

How close do you like your bottoms to fit?

Select all that apply

- Tight / body-hugging
 - Close, but not tight
 - Relaxed, with a little room
 - Very loose / oversized
-

PART 2 — FABRIC

1. Fabric importance

How important is fabric quality to you?

- Very important — if it doesn't feel high quality, I won't wear it
 - Important — I notice, but I can compromise
 - Not a priority — if it looks good, that's enough
-

2. Fabric discomfort

What tends to bother you in clothing?

(select all that apply)

Select all that apply

- Clings to the body (shows everything / sticks to skin)
 - Feels stiff or doesn't move easily
 - Feels heavy or weighs me down
 - Wrinkles easily / loses its shape
-

3. Attention to detail

How much do you notice small details like stitching or finishing?

- I notice immediately if something isn't well made
 - I notice, but it's not a deal breaker
 - I don't pay much attention if it looks good overall
-

PART 3 — PREFERENCES
